Deceased body of former Mayor C. Z. Cash reported by Slip and Rufas Dufus who checked for pulse, covered his face with his hat but otherwise did not disturb the body.

Coroner called. Crime scene taped off. Photos taken.

Front of body was covered in ash that looks identical to what was found at whale bell park. The center chest pocket of overalls was burned.

Head wound on right side of forehead

CZ has his official Mayor keys in his right hand

When coroner moved body we saw a large head injury on the back of his head with much blood in ground underneath
